Discovering Acting For Children & Teens

Great Fun Now & Great Preparation

For The "Acting Out" after-school program in the Fall.

If you have a 'drama' king or queen in your family, this after-school program could be the perfect activity!

Two-hour sessions each week will include exploration of theater games, imagination play turned into dramatic story-telling, stage movement, turning 'improvs' into scenes and script reading. Students will work on how to develop a character, cold read scripts, and audition for stage or film using monologs customized for each student. One day will be devoted to filming " commercials" and a class review of the same. Here imaginative students create, write, produce and perform scenes and plays for community organizations. This creative playwriting develops children's verbal and written skills and aids in logistical thinking. Guidance is provided to assure that these dramatizations are age appropriate.

This program is a perfect preparation for more advanced class and performance opportunities.

Monologs and scenes will be performed by both sections for family during the holiday season and on the last day of class in the spring.

A snack break will be included each day.

Tuesdays, 4:00 - 6:00 pm *Tuition: 16 week semester \$450 (Includes after-school snacks & music)

Fall: 9/19/13-1/16/14 • Spring: 1/30/14-5/15/14

**Some financial aid available thru Bucks County Performing Arts Institute. Call for info.*

Rehearsals are held at the Hellyer Performing Arts Center, 2000 Bensalem Blvd., Bensalem, PA 19020

VOICES jr *(Singing for Ages 8-14)*

VOICES jr is excellent for children who love to sing and wish to further develop their musical skills and opportunities to perform. Perfect for those who want something more challenging than their local school and especially valuable for home-school children or those who attend schools that have no choral program. Singing, folk dances, music reading and fun-filled sight-singing games make this a great music experience! Emphasis is placed on good vocal technique & musicianship. Music includes 'Pops', show music, multi-cultural and classical repertoire. Auditions: by appointment.

After-School Schedule! (36 weeks) Tuesdays: 4:00 - 6:00 pm - 9/10/13- 6/10/14

***Annual Tuition: \$450.00. (Includes after-school snacks & music)**

*Financial assistance may be available thru the Bucks County Performing Arts Institute. Call office for details.
